1 Release Notes heatapp! App 3.0.0 29000021 from 27/05/2024

Update available for Android and IOS, for all supported operating systems.

2 Content of the update

- Complete redesign of the app with a new framework
- The app is currently available in portrait format

3 The new heatapp! app

We have completely relaunched the app. Many errors have been fixed. However, we are aware that the app is not 100% error-free.

If you find any errors, please report them to us by e-mail at support@ebv-gmbh.de. We will record them in order to rectify them.

We need the following information from you :

- Product name of the operating device (smartphone or tablet)
- Model name of the operating device (smartphone or tablet)
- Software information
- If possible, take a screenshot of the error and briefly describe what you were doing/wanted to do when the error occurred.

Thank you for your assistance.

We hope you enjoy using your system.
